Our offer

If you receive basic income, live in the Stormarn district, and want to change your situation, feel free to contact us. We are here to support you!

In our project, we explore new paths together. We search for job opportunities that align with your qualifications and personal circumstances. Your skills and family background are taken into account during this process.

We are excited to get to know you!

And what do you get out of it?

- ➔ We offer individual counseling, including home visits with your family.
- ➔ Together, we search for suitable childcare options.
- ➔ We work together to find ways to improve your mobility and qualifications.
- ➔ We collaborate to explore opportunities for enhancing your mobility and qualifications.
- ➔ Workshops and events on topics that interest you – both in-person and online.
- ➔ Introduction to using modern media.
